

Digital CAD interface showing a 'Circle1' dialog box and a table of parameters. The dialog box includes fields for Comment, Projection, Clearance Group, Nominal Definition, and Tolerance For (X, Y, Z). The table below shows the values for parameters AC, a1, BC, AY, and BY.

AC	1,7500	(default)
a1	18,0000	(angle)
BC	0,5686	(calculated)
AY	-4,0000	(coordinate)
BY	-4,5686	(coordinate)
